[Despatch Abstract.]

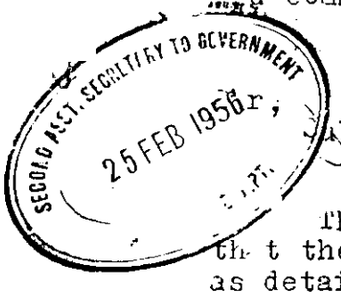
Fisheries - Buildings - Fish curing yards at Udiavar South Kanara Dt - Disposal of two Kuleha shore sheds in Public auction - ordered -

Industries and commerce Department.

1680

From
Sri S. Anglioss, I.A.S.,
Additional Director of Industries and commerce, Madras-5.

To
The Secretary to Government,
Agriculture Department,
Fort St. George, Madras-9



No.A.C.2235-X1/56 dated the 17th February, 1956

Sub: Fisheries - Fish Curing Yards - Udiawar in South Kanara district - Kutcha store shed - Disposal.

The Assistant Director of Fisheries, Mangalore has reported that there are five store sheds in the Udiawar Fish Curing Yard as detailed below:-

1) Combined Office cum store shed	1) 6000 mds. capacity
2) Pucca store sheds	2) " " "
3) Kutcha Store sheds.	3- 2,800 mds. "

A/C. Item No.1 and 2 provide accommodation for 6000 mds of salt and item No. 3 provides accommodation for 2800 maunds. The consumption of salt in this yard has gone down in recent years as detailed below:

Year.	Consumption of salt.
50-51	12,982 mds.
51-52	11,570 mds.
52-53	11,282 mds.
53-54	5,277 mds.
54-55	3,132 mds.
55-56 (upto Dec.1955)	3,320 mds.

B/ Buildings under item No. 1 and 2 seem to be sufficient for this yard for stocking salt till transport becomes possible. The 2 kutcha store sheds under item No. 3 above may therefore be disposed off so that the cost of annual monsoon repairs of about Rs.200 to Rs.300/- can be saved. These two kutcha store sheds were constructed in the year 1905-06 at a cost of Rs.160/- and they are too old to be retained any longer.

I request that Government may be pleased to sanction the disposal of the 2 kutcha storesheds in public auction.

24/2

for Additional Director of Industries & Commerce.

Fish curing yard at
Kadiawar, South Kanara Dt -
Disposal of two kuliha
shed shed in public
auction - Ordered.

Read: From the Addl Dir, of
No RC. 2225/1158 dt 17.02.1956.

GO No 667 Agri dt 9/3/1956

The Addl Dir has reported
that there are five shed
in the fish curing yard at
Kadiawar, South Kanara Dt
for storage of salt and that
of these sheds two are kuliha
sheds erected in 1905-1906.
As these two kuliha sheds are
no longer used for the storage
of salt, and with a view to cut down
the annual cost of monsoon
repairs to the two sheds, the
Addl Dir has proposed that
they may be disposed off in
public auction. The Govt
approve of the proposals of the
Addl Director and sanction
(in public auction)
the disposal of
the superstructures of the two

Pentecha sheds in the fish
curing yard at Nadaival by the
Sabbaris on maximum advantage to the Govt.
The receipts realised should
be credited to the Govt
accounts.
